KIDS' CAMP SPRING FUN

Bookings are now open for October school holiday Kids' Camps at seven Sport and Recreation Centres around NSW.

Minister for Sport and Recreation, Graham Annesley, said "Kids' Camps give children aged seven to 15 the opportunity to learn and master new skills while making new friends.

"Adventurous activities such as rock climbing, abseiling, kayaking and archery are included in the structured programs for children to enjoy themselves while learning.

"Trained staff supervise children at all times, ensuring every camper has a safe experience.

"Packages include all activities, accommodation and nutritious meals and are at competitive prices.

"Supervised transport is also available to and from most camps.

"I encourage parents and carers to book today," Mr Annesley said.
