

School Snow Sports Camps – 2010 Bookings

- 1 Any school wishing to participate in a School Snow Sports Camp at the Jindabyne Sport and Recreation Centre ('the Centre') between 20 June and 24 September 2010 ('the winter season') are required to provide the Centre with a Booking Request Form (the Booking Request Form can be downloaded from www.dsr.nsw.gov.au/schools/planning.asp)
- 2 During the week following 30 October 2009 the Centre's winter event calendar will be generated for the 2010 winter season. Prior to 30 October 2009 the Centre cannot confirm availability for a School Snow Sports Camp for the 2010 winter season. If a Booking Request Form is sent to the Centre by a school prior to 30 October 2009, the request will be held at the Centre until the 30 October 2009, at which time all submitted requests will be processed by the Centre. (Please see Point 6 below which outlines the criteria for how requests are processed). After processing, the Centre will advise schools of the date allocated to each school and if accepted, the request will become a tentative booking and the Centre will provide the school with a tax invoice for a Deposit.
- 3 After 30 October 2009 schools wishing to book a School Snow Sports Camp for the 2010 winter season, must complete and send a Booking Request Form to the Centre. The Centre cannot assess availability until it has processed all requests received prior to 30 October 2009. If the requested date/s are available, the Centre will create a tentative booking and a tax invoice for the Deposit will be issued.
- 4 The invoice referred to at paragraphs 2 and 3 above must be paid within 21 days from the date of issue. No other invoice or statement will be issued for the Deposit. If the invoice is not paid within 21 days the tentative booking will be removed and the requested dates will be made available for other schools.
- 5 The tentative booking will become a confirmed booking at the time the Centre has received the Deposit in clear funds. At the time the booking becomes a Confirmed Booking the General Terms and Condition for Schools will apply. The General Terms and Condition for Schools can be found at www.dsr.nsw.gov.au/assets/pubs/oep/schools_generalterms.pdf
- 6 The selection criteria used in the evaluation of applications is outlined below.
 - (a) Priority will go to any schools who attend the Centre for a Non-Snow Sports program
 - (b) When allocating schools the Centre's aim is to provide a Snow Sport experience to as many NSW school students as possible, placements are coordinated with this philosophy in mind.
