

School Snow Sports Camps – how to book for 2012

- 1 Schools wishing to participate in a School Snow Sports Camp at the Jindabyne Sport and Recreation Centre ('the Centre') between 15 July and 31 August 2012 ('the winter season') must provide the Centre with a Jindabyne School Snow Sports Camp Booking Request Form ('Booking Request Form'). The form is available on the reverse side or can be downloaded from www.dsr.nsw.gov.au/schools/resources.
- 2 During the week following 4 November 2011 the Centre's 2012 winter event calendar will be generated. Prior to 4 November 2011, the Centre cannot confirm availability for a School Snow Sports Camp for the 2012 winter season. If a Booking Request Form is sent to the Centre prior to 4 November 2011, the request will be held until 4 November 2011, at which time all submitted requests will be processed by the Centre. (Please see Point 6 below for how requests are evaluated). After processing, the Centre will advise schools of the date allocated to each school and if accepted, the request will become a tentative booking. The Centre will provide the school with a tax invoice for a deposit.
- 3 After 4 November 2011 schools wishing to book a School Snow Sports Camp for the 2012 winter season must complete and send a Booking Request Form to the Centre. Note The Centre cannot assess availability until all requests received prior to 4 November 2011 are processed. If the requested date/s are available, the Centre will create a tentative booking and issue a tax invoice for the deposit.
- 4 The invoice must be paid within 21 days from the date of issue. No other invoice or statement will be issued for the deposit. If the invoice is not paid within 21 days the tentative booking will be removed and the requested dates made available for other schools.
- 5 The tentative booking becomes a confirmed booking at the time the Centre has received the deposit in clear funds. When the booking becomes a confirmed booking, the General Terms and Condition for Schools will apply. These can be found at www.dsr.nsw.gov.au/schools/resources.asp
- 6 When allocating schools, the aim is to provide a Snow Sport experience to as many NSW school students as possible. Placements are coordinated with this in mind.
